WHAT IS SUMMER READING CLUB?

The Summer Reading Club (SRC) is designed to encourage children to enjoy reading and maintain literacy skills throughout the summer holidays.

The Summer Reading Club strives to spark a passion for books and reading that will last a lifetime.

Most importantly, Summer Reading Club is about having fun!

This year our theme is  CANADA 150

Imagine, Discover, Experiment,
Challenge, Make!

Remember, you can attend SRC activities at any of our Libraries or visit SRCs in other public libraries across Alberta.

Adult Summer Reading Club

Can our Adult SRC read 150 novels over the summer that highlight Canadian authors, and settings? Choose fact or fiction reads to enjoy. We have a list of interesting books that fit the challenge and always welcome your suggestions for our list. Our Adult SRC models a love and enjoyment of reading across all ages.

Let us know what you are reading! Visit www.westlocklibrary.ca and follow the links.

WHO CAN JOIN SUMMER READING CLUB?

Westlock Libraries are dedicated to family literacy, so we encourage children of all ages to participate in a Summer Reading Club.

Although a library card is not required to join SRC, we encourage participants to acquire a library card in order to borrow books and have access to our e-Resources.
